

Guarantee Registration

Under the Krypton guarantee your paint work is covered against discolouration (fading) and staining.

To maintain and prolong the showroom condition of your vehicle paintwork following application of your Krypton ceramic coating by an accredited detailer or dealership, you can either do this yourself using the Krypton Ceramic aftercare wash kit or alternatively you can opt for one of our aftercare maintenance packages.

*Guarantees are non-transferable

Conditions & Exclusions

This guarantee does not cover:

- Stone chips
- Rust
- Marring
- Chemical fallout
- Re-painted panel repairs or replacements
- Scratches
- Abrasions
- Manufacture's or paint imperfections i.e. flaking paint, peeling, orange peel or clear coat separation
- Staining/discolouration/defect as a result of faulty manufacturer
- Collision damage
- Vandalism
- Burns
- Paint/Dye Contamination
- Re-coating with another product

In the event of paint work damage as a result of an accident, vandalism or other, a registered Krypton Accredited Detailer can retreat the damaged areas at the owners or insurers expense.

If your vehicle is damaged within the guarantee period please email info@kryptonceramic.com leaving your name, contact number, guarantee registration reference and details of the damage/fault and we will contact you to arrange an inspection.
